WENDELL PARK GARDENING FRIENDS

PLANTING PLAN PROPOSALS

RATIONALE

- Introduce multi-stem shrubs/trees (British natives) under planted with flowering perennials to provide interest in every season and to green up the park
- Increase biodiversity through a wide range of flowering plants
- Promote nature and sustainability among the local community
- Enhance the beauty of the park

Amelanchier lamarkii

Euonymous alata

Euonymus alatus (Winged spindle tree)

Amelanchier lamarckii (Snowy mespilus)

Anemone x hybrida 'Honorine Jobert' (Japanese anemone 'Honorine Jobert')

Autumn

Wendell Park
